Like our style but looking for something a little different? No worries, we will gladly work with you to create a custom design.

While our designs typically measure 11x17", if you're looking for a different size that's not a challenge. Our designs have been used on items as small as business cards and as large as billboards.

36x36" Celemnate Canvas

In addition to offering a variety of sizes, we also work with various materials ranging from acrylic to canvas.

Turnaround time for custom designs is typically one to two weeks. You can choose the quote, color combos, and textures or just leave it all to us; the choice is yours.

If you have any questions or would like to discuss a design project just drop us a line, info@senioritis.net.
